

Heavenly Father,

We acknowledge the rebuke and correction you have given us. We acknowledge our foolishness, our pride, our ingratitude, our unkindness, our nothingness before you. We deserve this rebuke and correction.

We understand that there is nothing about us to recommend. Nevertheless, because of your honor and the truthfulness of your word to the fathers, you are willing to work with us. We cry for your mercy, your patience. We gratefully receive your rebuke, correction and instruction.

We cry for a greater knowledge of the covenants you have made to the fathers. We cry for a desire to work with you in fulfilling your covenants. We desire to let You do Your work and not hinder it, only assisting when asked and getting out of the way when not needed.

Let the words of the Book of Mormon seep into and permeate our souls, that we may understand your work. We gratefully receive the newly revealed testimony of St. John. We cherish the new light and truth through it that you have given us. We are grateful for this restored portion of the Book of the Lamb of God. We desire to take the Book of the Lamb of God as it proceeded forth from the mouth of a Jew that we may take it to the remnant of the seed of the brethren of Nephi. We look for the other books to come forth by the power of the Lamb that they may convince the seed of the brethren of Nephi and the Jews that the Lamb of God is the Son of the Eternal Father and the Savior of the world and that all men must come unto Him or they cannot be saved.

If you choose us, work with us to correctly nourish the vineyard. Work with us to correctly dung the vineyard. Work with us to correctly prune the vineyard and work with us to correctly attend to the vineyard that the natural fruit may appear, worthy to be preserved against the season.

Give us the strength to live up to every word in the covenant you offer. May we read it frequently to measure our own faithfulness, never excusing ourselves in the least. With gratitude we receive it, acknowledging our unworthiness before you.

In the name of Jesus Christ
